

Commander Edward Metivier's Message:

Well, Finally the weather is in our favor, and I just can't wait to go sailing. Our June 21st safety program at Kenco Outfitters in Kingston, had a good turnout in spite of the weather. Jim and Jan Silver were there as well as Pat Smalley and myself. We helped Fred Mangelsdorf with his two hour safety and information session. Everyone who attended received a signed commanders certificate acknowledging their participation. The owner of Kenco, Mr. William Kennedy, said that he would like to have us back again. Thank you Fred for a job well done.

Our dinner at Alloys went well. We had a good turnout, and our guest speaker, member Ed Popko, being the quality person that he is, had a wonderful presentation with pictures of the true inventor of the Submarine. The inventors' name was Holland and he lived in Germany. Thank you Ed, believe me, no one was sleeping while you were speaking.

Note: Don't forget my suggestion bucket.

High Tides to all
